NOVEMBER 2011

PRESIDENT

Whether you have lived in the Upper Valley for decades or have only just arrived, the Norwich Women's Club can provide you with a great opportunity to make new friends. Our membership is diverse in terms of age, background, interests, and past or present employment. The one thing that we all have in common is our fun loving spirit, our ability to stage exceptional events and our love of Norwich.

If you read our newsletter and check our web site you will see the many varied opportunities for fun and community service available to you, our members. It is surprising to me that some Upper Valley residents volunteer to work at the Nearly New Sale but don't take advantage of our other fun and social programs. I still suspect that many people would join if only they were asked. So we have been asking, some have joined, and we are happy to welcome our new members.

Now I want to try asking a different question of all of you who are already members.

Wouldn't you like to be part of our newly designed Spring Fundraiser?

We are trying something different this year. The Spring Gala will be a one-night event, March 16. We will have a spectacular Silent Auction with unique offerings, wine (courtesy of the Selectboard's newly adopted alcohol ordinance, adopted in time for us to serve wine at Tracy Hall) and substantial hors d'oeuvres. We will be awarding our first annual Norwich Citizen of the Year for exemplary service to the community. You can read more about this elsewhere in the newsletter.

This is a wonderful chance for you to help us create a great event that will generate as many dollars in one evening as Floribunda raised in an entire weekend. There are a variety of volunteer opportunities available. You can volunteer for any committee that suits your skills. I can assure you that whatever you choose to do, you will come away with new friends, and the satisfaction of knowing that you helped to make our new Spring Gala a success. The funds that we raise are all given back to various community programs and agencies all of which benefit our town.

Make sure that you mark your calendars now for March 16, 2012. And please give serious thought to helping us stage a great event for Norwich.
Arline

NWC PROGRAMMING

The fall trip to Shelburne Museum was a great success. Twenty-eight women (and one man!) had a social, educational day viewing the many exhibits - from Firearms to Fashion to Fine Art - something for everyone!

Our next event will be the author luncheon to be held on Monday, March 5 at the Norwich Inn. Local newly published author Katharine Britton will be speaking. Her book [My Sister's Shadow](#) was named the "hottest book for the hottest months of 2011" by Liza Bernard of the Norwich Bookstore. Stop by the bookstore to get her book, and then join us in March for her talk.

NOVEMBER 2011 NEARLY NEW SALE A HUGE SUCCESS

GREAT NEWS - the Fall/Winter Sale 2011 grand total is \$34,300!!! This sale's total gross is an *all time record!!!!* After consignor checks are issued and mailed (4-6 weeks after the sale closes) and bills are paid, the Norwich Women's Club Scholarship Fund will reap the benefits of this very successful event.

In addition to breaking the financial record, this sale also claims the most consignors!!!! AND thirty-one new volunteers were added to our list! All around it was a grand event.

I was concerned how "Irene" might affect our sale. "She" didin a very positive way. I chatted with several first time shoppers who came to the sale because of the limited shopping available in the Upper Valley; on their way out they had nothing but praise for the quality of clothing and pricing. An acquaintance that comes to every sale told me the timing was perfect. Their house was totally washed away and both she and her husband were so pleased to be able to "redo" their winter wardrobe without breaking the budget. I was amazed with her strength, courage and determination to get on with their lives as she relayed their story.

On a personal note, I want to thank Sophia Crawford, Volunteer Coordinator, Priscilla Vincent, Pre-Consignment Coordinator, Debby Hall, Interim NNS Treasurer, and Sydney Smith, Accounting Coordinator for all their time and dedication to the sale. Without their insights and help, the Nearly New Sale would not be possible.
