PRESIDENT'S MESSAGE

As we gear up for the fall season, I have confirmed my own beliefs. If you ask people to come to the Fall Opening Meeting, they will come! After talking to many women about all the interesting, fun and philanthropic work of the NWC, I ask whether they would be interested in joining. The responses range from "I used to belong, but then I was so busy with my children's activities that I found I didn't have time" to "I volunteer but I never considered joining". They frequently seem pleased to be invited to our fall opening meeting. We are, after all, a group of intelligent, interesting, effective women, who never lose an opportunity to have a good time whenever possible.

We gain a significant number of new members after each fabulous museum trip. If you haven't ever been on one of these daylong excursions, there might still be room for you on the upcoming trip to the Shelburne Museum. The many buildings in the museum hold such varying collections of Americana that you can't help but feeling "I wish I had more time here".

If you are working with volunteers at the Nearly New Sale and find someone who always volunteers but never thought to come to one of our social events, be sure to extend a special invitation. Working at the Nearly New Sale may be the exception that proves the fun rule. Everyone works as hard as possible to keep the sale running smoothly. The goal uppermost in everyone's mind is to keep the shoppers happy, keep the sale merchandise accessible and in the right place, and keep the net proceeds at a level that allows us to continue bragging that we are the largest non-profit scholarship donor in Vermont.

I hope that we can sign each of you up to be an ambassador for the Norwich Women's Club. Our new membership rack card invites all women of the Upper Valley to join our club. If each of you could find one friend to join with us, we could double our membership this year.

I hope to see all of you on October 4. And don't forget to check us out on Facebook.

Fall 2011 Nearly New Sale

The days are getting shorter and the kids are back in school. This is a sure sign that the fall Nearly New Sale is only weeks away! It's time to ready the clothing your family is no longer using ...pre-consign by calling Priscilla (649-1807).

The sale begins on Wednesday, October 12 with Nancy Carter and her loyal crew setting up Tracey Hall and concludes on Sunday, October 16 with the half price and bag sales and, of course, clean-up.

The fall sale will again feature Halloween costumes for kids and adults as well as specialty attire for winter and holiday galas.

We are having an excellent response to the recruitment drive - many thanks! - but still need more volunteers to make the sale not only a great success but also an easy task for all workers. If you can help, please contact Sophia Crawford, our volunteer coordinator, as soon as possible NearlyNewSale@NorwichWomensClub.org or 802-649-2662 < (Keep an eye on your Spam folder to make sure that NNS emails aren't getting shunted there.) Don't forget - volunteers get first crack at all the great clothing during the Workers' Sale on Friday, October 14 from 4-6 pm!

If you have any questions, comments or concerns, do not hesitate to contact Elaine Waterman, NNS Chair at 649-1558 or at e.waterman@valley.net
